

Some software supports for personal SSDs will be terminated due to the end of the support period for personal SSDs

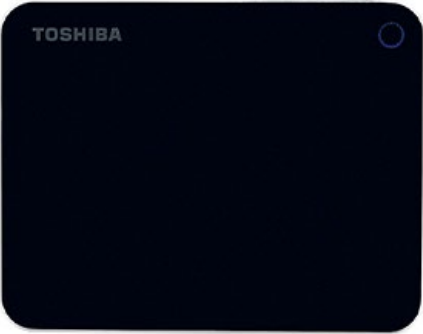

February 9, 2026
Kioxia Corporation

To: Valued Customers,

We at Kioxia Corporation are informing you that due to the end of the support period for personal SSDs, some software supports will be terminated after February 9th, 2026 as listed below.

- SSD Utility management software
- CLOUT

SSD products that will no longer be supported by SSD Utility

SSD product name	Picture
TR200	 A Toshiba TR200 SSD, a 2.5-inch SATA drive with a black and green design. The label features the Toshiba logo, 'SOLID STATE DRIVE', and 'TR200'.
XS700	 A Toshiba XS700 SSD, a 2.5-inch SATA drive with a dark blue/black design. The label features the Toshiba logo.

SSD products that will no longer be supported by CLOUT

All SSD products supported by this software are no longer supported.

SSD product name	Picture
TR200	 A Toshiba TR200 Solid State Drive (SSD) is shown. The drive is black with a green and white design. The text "TOSHIBA" is prominently displayed in white, with "SOLID STATE DRIVE" below it. A green banner at the bottom features the TR200 logo and the model name "TR200".
